As we are in the full swing of feeding cows, calving, getting ready for a new bull sale, and most of all chasing our kiddos, each day we learn to love the ranch life even more. With that said, we'd like to welcome you to our first annual production sale. We have an offering that we feel can appeal to a diverse population of cattlemen and cattlemen. We have a wide selection of bulls that you can use on heifers, and if you are looking for cow-makers or steer-power, each type of bull can all be found in our sale line-up. In addition to our new sale format, we are also offering, for the first time, a strong lineup of Red Angus bulls.

We fought another drought last summer, but even so, we did not creep feed our bull calves. Our weaning weights reflect the drought, but we feel it is much more important to see what the cows can do rather than to see which bull calves live by the creep feeder. Even with the extra stress of the drought, our bull calves took off at weaning time, and they are doing extremely well on their feed ration this winter and spring. Again this year, our ration sets the goal of the bulls gaining 3 pounds per day. We are doing a bit of a different ration this year to better accommodate our feed sources. The ration consists of sorghum silage, alfalfa, wheat hay, oats hay, corn, and a corn distillers pellet. All bulls have had their weaning and breeding shots. We also actively pour the bulls. All bulls will be fertility tested, pelvic measured, and ready to go breeding on sale day.

Justin, Somer, Quentin, & Karsin

We are very proud of our registered cows this year. After actively culling for a number of years for structural imperfections and for falling from the breeding season, we are proud that our conception rate was again over 95% for both the cows and yearling heifers. Especially with a dry year and with the cows being forced to produce more milk for their calves, we find this number to be very valuable in making sure each cow is improving our operation. If our cows are doing that, we are confident that our bulls will work to do the same in your herd, no matter your needs.

Our Angus bull offering consists of some well known, proven genetics; along with some sire groups that are a bit more unfamiliar, yet just as exciting. We are also very proud of our bull-bred sires, as they did a fantastic job with cleanup. Many of these bull-bred calves are a month or more younger than our AI'd calves, and they still fit right in. We encourage you to come to the ranch and take a look at our herd sires prior to sale day to give you an idea of what these bulls might look like when they grow up.

Our Red Angus offering stems from a package of yearling heifers we bought from Cal Swanson (S Bar U Ranch, Hamill, SD.) We are very impressed with the bulls coming off these first-calf heifers. The cows held their condition despite the dry conditions, and we are proud to say, we had 100% breed-back. In addition to our eleven Red Angus bulls in the sale, we also have 16 Red Angus bulls consigned by Cal Swanson. If you turn to the Red Angus pages of the catalog, he will give you some insight about not only his bulls lots but also the heifers that are the foundation of the Red Angus herd we started at GLC.

Please check out our website at www.garrigancattle.com for videos of the bulls and follow us on Facebook at [Garrigan Land & Cattle](#) to keep updated with any additional sale information and to keep up with what's going on at the ranch.

Thanks for your interest in our program. Call anytime to talk cattle, stop out anytime to look at the bulls and cows, and we hope to see you in the stands on April 9th!

Riley, Cally, Madelyn...

...and introducing baby sister Gracie

BULL SALE

April 9, 2018 @ 12:00 MT

Faith Livestock Auction, Faith, SD

(Storm date: April 18, 2018)

Bulls sell in
catalog order

Join us for a
complimentary
lunch from
11:00-1:00.

AUCTIONEER

Dace Harper.....(605) 515-1535

SALE DAY RINGMEN

Dan Piroutek; Tri-State Livestock News(605) 685-4556

Beau Ravellette; RPI Promotions.....(605) 685-8155

ABSENTEE BIDDING

Contact the sale day ringmen or Faith Livestock Auction owner:

Mason Dietterle.....(605) 580-5878

INTERNET VIEWING

The sale will be broadcast at www.cattleusa.com. Click on "Live Auctions" on sale day to view the sale.

BULL VIDEOS

Bull videos are available at www.garrigancattle.com or www.billpelton.com. Scrotal and pelvic measurements will be available sale day.

TERMS

The terms of the sale are cash or check. Registration certificates will be transferred to the new owner(s) once payment is made. Bulls will sell in catalog order.

SALE DAY ANNOUNCEMENTS

All announcements from the block on auction day will take precedence over the information contained in the catalog.

SALE LOCATION

Faith Livestock Commission Co.

127 N. 5th Ave. W.

Faith, SD 57626

SALE DAY TELEPHONE

Faith Livestock.....(605) 967-2200

Justin Garrigan.....(605) 280-9220

Riley Garrigan.....(605) 280-9722

FEED RATION

We worked with Chanda Engel, SDSU Extension Cow Calf Field Specialist, to most effectively supply the bulls with the proper nutrition to grow and prepare them for a successful breeding season.

HERD HEALTH

Bulls have been on a shot protocol recommended by Dr. Tammy Winger of Faith Veterinary Service. They were given Vision 7 and Inforce 3 at birth, Bovishield Gold 5 and Vision 7 Somnus at branding, Vista Once, Vision 7 Somnus, Nasalgen, and Ivomec at weaning, Bovishield Gold 1-Shot for a booster, and Dectomax injectable and Multimin 90 in December. They will also have their spring breeding shots by sale day.

FEEDING & DELIVERY

You will receive \$50 off each bull you take home on sale day. GLC offers free delivery within 500 miles. GLC will feed and keep the bulls free of charge until an approximate May 1st delivery. Talk to Justin or Riley if alternate arrangements need to be made for any bulls you purchase.

GUARANTEE/INSURANCE

- All bulls sold are guaranteed 100% for soundness and fertility at delivery. If a bull is injured or dies in the first breeding season, a replacement will be supplied, if available.
- All bulls sold for \$3,500 or more will be insured at the seller's expense through Stockmens Insurance Agency, LLC. If a bull is injured or dies during the first breeding season, the buyer will have the option of taking the claim money, less the salvage value, or using the money toward the following year's sale. The buyer will be offered a replacement that can either be used for the remainder of the breeding season and returned after 60 days of first turn out, or the replacement bull can be purchased. All claims must be submitted by October 9, 2018, and all claims must be verified by a veterinarian.

Some Background on our Registered 1A Red Angus Bull Offering

by guest consigner (lots 56-71): *Cal Swanson*

We purchased our first Red Angus cows in 1988, and our goals are the same now as they were then: to produce moderate-framed, balanced-trait cattle that are easy calving and easy keeping. We aim for the kind that maintains themselves in a good body condition with very little supplementation and minimal inputs. We also strive for a herd with a very quiet disposition and that are enjoyable to be around, which is a trait that you cannot apply a score or a value. These are the reasons we got into the Red Angus breed, and the bulls in this offering reflect these goals.

We have been marketing our seed stock by private treaty for the past 30 years. In that time, we have met numerous producers, many who have become repeat customers and have had the same goals. In addition to the bulls we have consigned at this sale, we also have a package of bulls for sale by private treaty at our ranch in Hamill.

We want to thank the Garrigans for inviting us to be a part of their auction sale.

Cal and Tracy Swanson
S Bar U Red Angus ~ Hamill, SD
